

WRS  **Point of Care Dispensing**

25+ YEARS OF

Experience & Expertise

This is the national model built for high-image practices.

15%

of practice hours
are unbillable

30%

of patients have
difficulty getting their
prescriptions filled

75%

of patients would have their
prescription filled in their
doctor's office if able.

Fewer pain points all around

“Our dispensing program has
improved convenience
and care for our patients
while **increasing revenue**
for our practice.”

- Michael K., Orthopedic Surgeon
